### Policies and Procedures

**Titled:** Smokefree Policy  
**Adopted at meeting:** 260  
**Date:** 19 August 2013

Version: 2

#### 1. Rationale

Blairgowrie Yacht Squadron recognizes that passive smoking may be hazardous to health and that non-smokers should be protected from tobacco smoke.

Accordingly, the following policy has been devised.

#### 2. Policy on Smoking

The clubhouse has been designated Smokefree, including:

- Administration and office areas;
- Change rooms and toilet blocks;
- Internal function rooms and areas;
- Deck and the area underneath the deck.

Patrol boats and any vessel engaged in BYS official functions are also designated Smokefree as are areas where "no smoking" signs have been posted.

Cigarettes and tobacco products must not be sold from the Squadron (including from vending machines).

#### 3. Non-compliance

Non-compliance with this policy will result in action being taken by the Committee in accordance with the Rules of the Squadron. Any member wishing to discuss any aspect of this policy is invited to contact a member of the Committee.

#### 4. Policy review

The policy on smoking will be reviewed on an annual basis to ensure that the policy remains current and practical.
